Area 14 Workforce Development Board

Adult and Dislocated Worker Eligibility

Area 14 Policy 14.15-02

Effective: May 15, 2019

---

## I. Purpose

The purpose of this policy is to set parameters and guide Program Operators in determining eligibility for participants in Workforce Innovation and Opportunity Act (WIOA) funded Adult and Dislocated Worker employment and training programs in Area 14.

Although most of the eligibility requirements for WIOA Adult and Dislocated Worker programs are established by the act itself, as well as the state of Ohio's guidance through WIOAPL 15-02 and 15-07, the Area 14 Workforce Development Board does have discretion relating to several key definitions and components. Program Operators in the Area 14 workforce development system will adhere to all applicable federal and state guidance with regards to WIOA Adult and Dislocated Worker eligibility, as well as the terms set forth in this policy.

## II. Effective

Immediately

## III. Overview

Adult and Dislocated Worker programs in the Area 14 workforce development system are designed to provide employment and training opportunities to those who can benefit from, and who are in need of such opportunities. Meeting the eligibility criteria for a WIOA-funded program does not entitle an adult or dislocated worker to receive certain employment and training services. Program Operator decisions on whether to provide specific services must be based upon additional state and local policy considerations, including, but not necessarily limited to, the appropriateness for services.

## IV. Definitions

Attachment to workforce: An individual who, at the time of application for WIOA services, worked at the same company or in the same occupation for 15 out of the last 26 weeks.

Basic skills deficient: an individual who is unable to compute or solve problems, or read, write, or speak English, at a level necessary to function on the job, in the individual's family, or in society.

## VI. Special Eligibility Conditions for Dislocated Workers

The following are special circumstances that, when met, allow the worker to be determined eligible for the dislocated worker program provided that the applicant is authorized to work in the United States, is 18 years of age or older, and is properly registered for selective service.

### A. Reemployment Services and Eligibility Assessment (RESEA) and Unemployment Compensation Reemployment Services (UCRS)

The RESEA and UCRS systems are early intervention approaches for providing dislocated workers with reemployment services to expedite their return to productive employment. The Ohio Job Insurance (OJI) system selects claimants who have no return to work date, are not job attached, have received a first UC payment, and were previously employed in a declining industry for participation in both programs.

These selected claimants are considered to be unlikely to return to their previous occupations or industries and are considered dislocated workers under Category A: Terminated or Laid Off, or Received a Notice of Termination or Layoff From Employment.

### B. Trade Eligible

The Trade Adjustment Act (TAA) is a program that assists individuals, who became unemployed as a result of increased imports, with their return to suitable employment based upon an approved petition. The TAA program provides reemployment services and allowances for eligible individuals. Applicants are considered to be dislocated workers under Category A: Terminated or Laid Off, or Received a Notice of Termination or Layoff From Employment, when the affected worker provides a copy of the petition approval letter or a screen shot from the "Program Data" tab on "Basic Intake" from the Ohio Workforce Case Management System (OWCMS) indicating that the individual is trade eligible.

### C. Locked-out Workers

Locked-out workers are considered to be dislocated workers under Category A: Terminated or Laid Off, or Received a Notice of Termination or Layoff From Employment, when an ODJFS Office of Unemployment Compensation hearing officer has issued a determination that a lockout exists. The listing of ODJFS Unemployment Compensation lockouts can be found at: [http://jfs.ohio.gov/owd/WorkforceProf/policy\\_info.stm](http://jfs.ohio.gov/owd/WorkforceProf/policy_info.stm).

### D. Buyouts and Forced or Early Retirements

Workers who receive buyouts or who are forced to retire are considered dislocated workers under Category A: Terminated or Laid Off, or Received a Notice of Termination or Layoff From Employment, when all of the following conditions are met:

- The employer has offered a buyout or early retirement or forced an early retirement as a means to reduce its workforce by providing a financial incentive for long-term (and therefore better paid) workers to leave their employment; and
- The participating workers would not be voluntarily leaving their positions or retiring from employment at this time; and
- The worker is eligible for Unemployment Insurance (UI); and
- Is unlikely to return to a previous industry or occupation.

Workers in the situation listed above are considered to be preserving the jobs for employees with less seniority.

### E. Transitioning Service Members and Recently Separated Veterans

Dislocated worker funds can help transitioning service members or recently separated veterans enter or reenter the civilian labor force.

If the transitioning service member or the recently separated veteran is separating from the Armed Forces with a discharge that is anything other than dishonorable, the transitioning service member or recently separated veteran qualifies for dislocated worker activities based on the following criteria:

# Area 14 Workforce Development Board

---

- The transitioning service member or recently separated veteran has received a notice of separation, a DD-214 from the Department of Defense, or other documentation showing a separation or imminent separation from the Armed Forces to satisfy the termination or layoff part of the dislocated worker eligibility criteria;
- The transitioning service member or recently separated veteran qualifies for the dislocated worker eligibility criteria on eligibility for or exhaustion of unemployment compensation; and
- As a transitioning service member or recently separated veteran service member, the individual meets the dislocated worker eligibility criteria that the individual is unlikely to return to a previous industry or occupation.

## **VII. Reporting and Monitoring**

Program Operators are required to maintain and report accurate program and financial information. Pursuant to rule 5101:9-30-04 of the Ohio Administrative Code, information regarding WIOA participants and their activities and performance must be entered into Ohio Workforce Case Management System (OWCMS) accurately and within 30 days. OWCMS may be used to assist in the determination of eligibility. However, OWCMS cannot be used as verification of adult or dislocated worker eligibility. WIOAPL No. 15-07, Source Documentation for WIOA Eligibility, lists the type of acceptable documentation to verify eligibility for the WIOA adult and dislocated worker programs.

The Area 14 Workforce Development Board will conduct oversight of the implementation of the WIOA adult and dislocated worker programs to ensure that participants enrolled in the programs are eligible and that eligibility has been properly documented. Program Operators are required to make available to the board and/or contracted monitors all relevant participant files, documents and paperwork. Program files will be monitored yearly unless it is determined by the board there is a need for more frequent monitoring.
